**§ 622.9 Gulf shrimp interim measures.**

(a) *Vessel logbooks.* In addition to the requirements of § 622.5(a)(1)(iii), the owner or operator of a vessel that fishes for shrimp in the Gulf EEZ who is selected to report by the SRD must maintain fishing records on forms available from the SRD. The owner or operator must submit completed fishing records to the SRD postmarked not later than 7 days after the end of each fishing trip. If no fishing occurred during a calendar month, the owner or operator must submit a report so stating on one of the forms postmarked not later than 7 days after the end of that month. Information to be reported is indicated on the form and its accompanying instructions.

(b) *Observer coverage.* (1) If a vessel is selected by the SRD for observer coverage, the owner or operator of the vessel that fishes for shrimp in the Gulf EEZ must carry a NMFS-approved observer aboard the vessel.

(2) When notified in writing by the SRD that his or her vessel has been selected to carry a NMFS-approved observer, the owner or operator must advise the SRD in writing not less than 5 days in advance of each trip of the port, dock, date, and time of departure and the port, dock, date, and time of landing.

(3) An owner or operator of a vessel on which a NMFS-approved observer is embarked must:

### Subpart B—Effort Limitations

#### § 622.15 Wreckfish individual transferable quota (ITQ) system.

The provisions of this section apply to wreckfish in or from the South Atlantic EEZ.

(a) *Percentage shares.* (1) In accordance with the procedure specified in the Fishery Management Plan for the Snapper-Grouper Fishery of the South Atlantic Region, percentage shares of

the quota for wreckfish have been assigned. Each person has been notified by the RD of his or her percentage share and shareholder certificate number.

(2) All or a portion of a person's percentage shares may be transferred to another person. Transfer of shares must be reported on a form available from the RD. The RD will confirm, in writing, each transfer of shares. The effective date of each transfer is the confirmation date provided by the RD. The confirmation date will normally be not later than 3 working days after receipt of a properly completed transfer form. A fee is charged for each transfer of shares. The amount of the fee is calculated in accordance with the procedures of the NOAA Finance Handbook, available from the RD, for determining the administrative costs of each special product or service provided by NOAA to non-Federal recipients. The fee may not exceed such costs and is specified with each transfer form. The appropriate fee must accompany each transfer form.

(b) *Lists of wreckfish shareholders and permitted vessels.* Annually, on or about March 1, the RD will provide each wreckfish shareholder with a list of all wreckfish shareholders and their percentage shares, reflecting share transactions on forms received through February 15. Annually by April 15, the RD will provide each dealer who holds a dealer permit for wreckfish, as required under § 622.4(a)(4), with a list of vessels for which wreckfish permits have been issued, as required under § 622.4(a)(2)(vii). Annually, by April 15, the RD will provide each wreckfish shareholder with a list of dealers who have been issued dealer permits for wreckfish. From April 16 through January 14, updated lists will be provided when required. Updated lists may be obtained at other times or by a person who is not a wreckfish shareholder or wreckfish dealer permit holder by written request to the RD.

(c) *ITQs.* (1) Annually, as soon after March 1 as the TAC for wreckfish for the fishing year that commences April 16 is known, the RD will calculate each wreckfish shareholder's ITQ. Each ITQ is the product of the wreckfish TAC, in round weight, for the ensuing fishing
